For your convenience, please find attached discovery materials bates-numbered 1 to 158.

If you need any further specific information regarding the above matters, or any other matters, that will prevent the filing and litigation of any unnecessary pretrial motions, please do not hesitate to call me.

In order to avoid the need for filing motions pursuant to Federal Rules of Criminal Procedure 12.1(a), 16 and 26.2, the Government requests that:

A. Each defendant provide the United States a written notice of the defendant's intention to offer a defense of alibi, stating the specific place or places at which the defendant

claims to have been at the time of the alleged offense and the names and addresses of the witnesses upon whom the defendant intends to rely to establish such alibi;

B. Each defendant provide the United States, or permit the United States to inspect and copy or photograph, books, papers, documents, photographs, tangible objects, or copies thereof, which are within the possession, custody or control of the defendant and which the defendant intends to introduce as evidence in chief at trial;

C. Each defendant provide the United States, or permit the United States to inspect and copy or photograph, any results or reports of physical or mental examinations and of scientific tests or experiments made in connection with the particular case, or copies thereof, within the possession or control of the defendant, which the defendant intends to introduce as evidence in chief at the trial or which were prepared by a witness whom the defendant intends to call at the trial when the results or reports relate to his testimony;

D. Each defendant provide the United States a written summary of testimony the defendant intends to use under Rules 702, 703 and 705 of the Federal Rules of Evidence as evidence at trial. This summary must describe the opinions of the witnesses, the bases and reasons therefor and the witnesses' qualifications;

E. Each defendant provide to the United States all statements of any defense witness that are in the defendant's possession and that relate to the subject matter to which the witness will testify.

The Government requests that it receive the information regarding alibi requested in Section A no later than the date of the pretrial motion hearing. The Government also requests that each defendant provide all information specified in Section E no later than noon on the Friday preceding trial to eliminate any delay in the trial of this cause.

I would appreciate a written response prior to any pretrial motion hearing to determine whether I will have to file formal requests for a court order to enforce discovery compliance. I thank you in advance for your anticipated cooperation.

Very truly yours,

RICHARD G. CALLAHAN
